

dear Laura:

june 22, 1977

just wanted to let you know how much we have been enjoying the print of "The Navajo family 1958" I picked up while in Santa Fe last month. As per my last letter, I think I told you we already have orders for some photos, four of which are for the same photograph I purchased, "Navajo family 11x14".

We are going to Oregon for the first part of July and will be returning to Denver around the 15th. After that date I can send to you as better idea of the exact time we will be opening the gallery, also I could send you a list of the pre-orders we have received.

I hope to come to Santa Fe near the beginning of August so we could discuss transport, etc of the prints.

Our tentative opening seems to look for the last part of September, and the show would hang for three weeks.

I do hope this letter finds you well and happy. I am looking forward to seeing you around the 1st of August.

do have a wonderful summer -
sincerely. Paul Hargraves -
