Dear Ms. Gilpin:

Thank you very much for sending a print of Taos Ovens to us for inclusion in the Margery Mann Memorial Collection. I know this particular print was one of Margery's favorites; as a matter of fact, I purchased the platinum print of Taos Ovens from the Women of Photography exhibition!

As we are trying to keep complete archives on all the works in the collection I would appreciate it if you would forward to us the following information about the work: the date of the print (as opposed to the negative), was it printed by you, its exhibition history, and its current value.

We will be assigning a credit line of Margery Mann Memorial Collection, Gift of the artist, to the photograph. If you have any objections, please let us know as soon as possible.

Margery touched all of us deeply. Thank you for this warm tribute to her memory.

Sincerely,

Katherine Church Holland
