Dear Miss Gilpin:

It has been almost a year since you visited the University of New Mexico campus and made photographs of the various buildings. As I told you before, I am still looking forward to seeing the proofs of the pictures which I am sure will be very good. As soon as you have completed the pictures, we would like to use some of them in University publications.

Hoping to hear from you, I remain

Yours sincerely,

Van Dorn Hooker  
University Architect
