Dear Ms. Gilpin,

At the suggestion of Bill Clift, I called Eleanore Caponigro today to determine if she might be able to assist us in securing photographs from you for our forthcoming exhibition, "The Great West: Real/Ideal." She has agreed to do so.

I am very sorry we have not been in closer communication on this matter. Apparently our second mailing, which includes shipping instructions and our contract, did not reach you. Enclosed please find copies of that information.

If you or Ms. Caponigro have any further questions please call me collect at (303) 4926504.

Sincerely yours,

Sandy Hume
