Dear Ms. Gilpin:

Well, it looks as if, at long last, I will have the opportunity to come to visit with you in Santa Fe. I now have funds available for the trip and would very much like to spend some time looking through your photographs and talking with you.

Would it be possible for me to see you sometime around the end of March or early April? I know your schedule must be very busy, with books and portfolios in process, but I hope it can be worked out for us to get together.

I look forward to seeing you soon. If you would like to discuss this by phone, please call me collect at your convenience (602-884-4636). I have been invited to speak in Vancouver and also at the University of Washington and will be away from the office until the 10th, but I hope you will call after that date to plan my visit.

Respectfully yours,
