Dear Laura:

This is official confirmation that the Center wishes to purchase the 18 platinum prints I had selected previously plus 7 from the pile that I was not sure I would be able to buy. Either yourself and/or Eleanor could select what you feel to be the 7 finest prints of this group and add them to the 18 which I had set aside, bringing the total of 25 prints to the Center's collection. We are all very excited to see them here soon, and I am sure we will be doing a small exhibition of them sometime in the forthcoming year.

According to your note, these 25 prints will be sold to us at \$500 minus a 40% museum discount. This, according to my calculations, would bring the final bill to \$7,500. If you could ship the prints to me at your earliest convenience (Emery Air Freight collect) and include an invoice, we will certainly get payment to you just as soon as the University machinery allows.

Well, it is always enjoyable to speak to you on the phone, but much more so to visit you in person. I hope to have an opportunity again to visit Santa Fe soon, and at that time I look forward to seeing you. Until then, take care and have a good summer. I look forward to hearing from you if there are any questions regarding the above.

Sincerely,

Harold Jones
