Dear 

It is with great pleasure that I am writing to tell you that a close friend, Barbara Gluck is my Company's new representative in New Mexico.

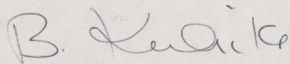

Kulicke Frames is a New York based company that has been manufacturing frames for 30 years and has focused much of it's attention on designing for artists and museums. The materials that we work with are metal, plastic, and wood.

We would like to introduce our line to you with a pre-Christmas sale - please call Barbara immediately for details, she will have a catalog and a complete line of samples available and will be happy to work with you both on service and prices.

Barbara can be reached in Santa Fe at Phone #983-6612, 314 Bartia Street.

We very much look forward to working with you and in helping to make framing both more beautiful yet affordable for you.

Sincerely,

Barbara Kulicke
President
