Dear Laura,

Thank you for the help and enthusiasm given us for the exhibition. You made our visit with you very special.

As we spoke of, Jennifer and I would like to purchase a platinum print of "the woman carrying her small son and two lambs", (from the ENDURING NAVAHO book). Priced, as we discussed, \$300.00.

Please let me know if you would like full or part payment in advance.

Thank you very much,
Love,
