Dear Laura,

I was very sorry to hear that you had been in the hospital. I hope that you are now feeling fine again. I want you to know that we will make every effort to adjust our deadlines with regard to the delivery of photographs for the exhibition. I am enclosing the list of photographs and a set of slides of the requested work. Please call me, collect, at 814-238-7051 if you have any questions.

We have completed the selection of photographs and interviews of all the photographers and are now working hard getting the transcripts into usable form. It is slow work but we are well within our schedule.

My platinum print project hasn't progressed very far as yet. Dick mentioned that you had been looking for the platinum information...I would be grateful for a copy when you locate it.

Sincerely,

Jerry Lang
