

Begin with an appreciation of each part

Dear Miss Gilpin;

Rosemary Hall has long been proud of its commitment to good education. If we are to continue this tradition, then we must rely on the generosity of our Alumnae.

Won't you please consider a gift to the Alumnae Fund? Education is such a precious commodity.

Thank you.

Sincerely,
Gail Wallen Lewis
Alumnae Director

To comprehend
the whole . . .

Your gift is your part in annual alumnae giving.

The whole job of annual giving is in helping to meet the costs of providing an excellent education for each student. A student's tuition can no longer cover these costs.

Unless we are to do less than the whole job, your gift is needed.

please, give today
