Dear Laura Gilpin,

In back from the East - the first encounters
for the book went beautifully - and every-
one was most cooperative and fascinating.

Thinking of our own meeting; I want
to coordinate my journey to Santa Fe
with a stop in Texas - to see Carlotta
Corpron. If I left her on September 22 or
23rd would you prefer the earlier dates or
the 27-29th ish of September? I want to
visit with Ray and meet Ellen Caponigro
and see Paul, if he is around. In other
words I won't bother you every minute!

Feel free to call or I shall call you if
you prefer to discuss details by phone.
Let's try one round of letters and see. Thanks
so much. I can't wait to meet you —

Best. greta

P.S. I'd like to come in September because
my teaching begins in October.
