

Dear Laura Gilpin,

I have just spoken to you
on the phone, about a
photograph of a weaver that
I hope to use in my book,
"Spiders Games."

It is the full page photograph
on page 133 of the "Enduring
Navaho"

My address is

P. Morrison
11 Bowdoin
Cambridge Ma 02138

We also spoke of Georgia
O'Keefe, so I share with you this
peach and glass - of milk? -
held in an eastern place -

Yours
Paulis Morrison
