Dear Ms. Gilpin:

I very much enjoyed my visit with you this past Tuesday. The prints arrived in Tucson in excellent condition and by now are being processed and stored at the Center. I am having a check drawn for the 26 prints that I took along, plus the six that you plan to send, and payment for these should be in your hands shortly.

As I mentioned to you, the University would love to acquire any of the Clarence White photographs or the Gertrude Kasebier photographs that you own at some future date. Please keep us in mind on these items.

I have also asked Harold Jones to look over our collection of Camera Work, and I will send you a list of what we have with the hope that between us we can work to fill out the University's collection.

We very much hope that you will be able to visit us some time in the near future, and I hope that you will write to me when your calendar is clear so that we can make appropriate arrangements for you.

Yours sincerely,

John P. Schaefer
President
