Dear Ms. Gilpin,

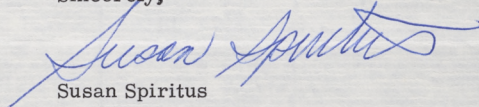

My client for whom you sent the "Covered Wagon" would also like to add the following prints to his collection (all 8 x 10"):

- 1) "Indian Ovens"
- 2) "Church at Rancho Taos"
- 3) "Indian Family with American Flag"

Because he will have purchased a total of four of your photographs I would like to offer him a 10% discount as a courtesy and would like to know if you would consider splitting the 10% with me.

With regards to an exhibition of your work I would like to have a total of fifty prints. Since our gallery has two exhibition rooms, I would think one room could show the platinum prints (12 - 15) and the other, larger room could show the silver prints.

Sincerely,

Susan Spiritus
