Dear Miss Gilpin:

I understand you made 18 prints of the Chester E. Faris Marie pottery collection while it was in the Museum of Albuquerque under the direction of Mr Crabtree, and that they were rather difficult to do. I also understand that there was to be a catalogue compiled using said prints. If there is such a catalogue, I would certainly like to obtain one. The director of the Museum knows nothing about it, so perhaps it was for some other Museum. If you could give me any clues on this I would greatly appreciate it.

Did you know my Father when he was in Santa Fe? I have the clipping on your Arts Award along with Marie and Grace Thompson, and may I offer my belated congratulations.

Sincerely,
