Dear Laura:

Thank you for your check for our invoice No. 84476. We agree with your suggestion that you retain the panel. We accept your check as payment in full for the "Rio Grande" Panel.

Will be looking forward to receiving your "storm" negative and your print order. I have alerted Eddie Dyba and he is looking forward to printing it.

Would also like to continue to display the "Rio Grande" panel in our office, and would appreciate the use of your negative for this purpose.

Laura, are you producing platinum prints? I am most interested in making platinum prints and would like to take advantage of the offer you once made to send me a copy of your formulae and procedures for this process. Also, may I impose on you to suggest the best places to obtain the chemicals required?

Cordially,

Irwin Welcher
