Dear Dina:

Thanks so much for your letter with the accompanying glossy print of the photograph we wish to use as a poster. Laura was absolutely correct--it will be much better to work from this print than from the platinum print that we acquired recently. However, we are going to try to keep a sense of the delicacy of the platinum print in the enlargement if the detail will carry.

Thanks, too, for giving me the address and name for the education department at the Museum of New Mexico. I shall put my oar in and make certain that we reserve a spot on the circulation of Laura's retrospective show.

When you have a chance, send on the other photographs and be assured that we will appreciate having them. I would like to have all of these safely tucked away.

Sally joins in greetings to you.

Sincerely,

Mitchell A. Wilder  
Director
