

March 31st 1977

Dear Laura,

Having talked to
Harriet Kurie many times at
The Red Cross and mislaying
this discription of the
Golden Wedding Picture, I
am finally sending you
this copy & explanation.

My niece Peg Stabler ^{Cochrane}
made it. Cochrane

As you know, I am the
daughter of Mary Hallonell
Stabler - who was the daughter
of Sarah Miller & Henry Hallonell
- Mary is in picture in lower
left in plaid dress - age 6 -

I assume your mother was
Emma daughter of John Miller
and Rachel.

We were ~~very~~ interested
in the write up about you in
Feb '77 Photograph Magazine.

our son, Jim subscribes
to it, and is a camera
buff.

Peg added a few interesting
historical notes.

I hope you are interested
and ^{that this} may add to it all.

Write a family !!

Affectionately,
Elyria S. Wilson
