Dear Laura -

What a pleasure to hear
your voice & talk with you!
Thank you for calling & thank
you for being so loyal to me
as regards selling your prints.
I know how loaded you are
with work, but it would be
good one of these years to
have another show of your
work in New York. I'm
ready whenever you are.

The main thing is to stay
well & be content & not to
place yourself in a position where
demands disturb your peace of
mind.

Again, all best & thanks
for the telephone call.

Love, Lee
