Dear Miss Gilpin:

You may recall that I spoke with you this summer about our starting a venture that would include photographs, prints and small but quality objects d'art.

We have decided to begin in a modest way and we would very much like to have some Laura Gilpin photographs.

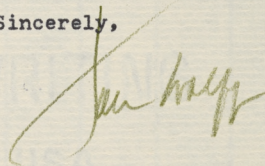

We would like to start off with about twenty four pictures, including three or four of the platinum prints. I would like to have a list of the pictures - showing the selling price and our discount. That is of course if you are agreeable to our representing you in St. Louis. We would of course pay for all shipping charges.

As you may remember I have ordered two photographs from you. 1) The Picruis Church and 2) Summer shelter in the Cove. I did not want you to think I was asking to represent you because we expected a discount on these two pictures. We are most sincere in our interest and hope that it may be of interest to you.

I look forward to hearing from you at your earliest convenience.

Best regards to you and Sena.....

Sincerely,
