Dear Laura:

It was so good talking with you on the telephone recently, and once again I want to extend congratulations to you for being selected as one of the three 1977 recipients of the Colorado Governor's Award for Arts and Humanities.

I will appreciate your sending me your biographical material, one black and white photograph of yourself, and a list of the names and complete addresses of those friends and associates you would like for us to send invitations to for the awards banquet. Would you please send the above materials directly to me to reach the Council office no later than August 8, 1977.

I will be sending you complete information as to the exact time of the Governor's reception, the banquet and the awards ceremony. You will receive this information in plenty of time prior to the event of September 9, 1977.

As I mentioned to you on the phone, I will be arriving in Santa Fe the evening of August 16, and will call you at that time to arrange a convenient hour that I might meet with you on Wednesday, August 17 at your home. During our meeting I would like to take some photographs of you, and I look forward to talking with you and meeting with you at this time.

Once again, on behalf of the Council and myself, ^{we} thank you for your contributions to the arts. We are so pleased you will be able to be with us on the September 9 occasion which will honor you and the other Governor's Award recipients.

Sincerely,

Judith Wray
