Dear Miss Gilpin,

I continue to be very interested
in getting the print of Storm from La Bodega,
to go with my collection of other Laura
Gilpin photographs purchased from you
in the past — which large black &
white print we have discussed
several times of late.

Is there any chance of getting
this now?

Cordially yours,

Eugene Adkins

P.S. — In regard to the shipping of the print to Tulsa — I can
(over)

handle that from here by telephone by my
calling Santa Fe Storage & Transfer
& authorizing them to come to your studio
& pick it up, crate, it & ship it - all at
my own expense, of course -
