Dear Ms. Gilpin:

The last week of March has been designated as State Library Week in New Mexico. Recognizing the importance of books and reading in the lives of young people, Community Resources for Children, a non-profit organization dedicated to strengthening family life and to promoting the principles of child growth and development, is sponsoring a display of books that were the childhood favorites of celebrities state and nation-wide.

Because of your popularity with young people, and because we feel that

young people would be greatly influenced by the knowledge that you, when a young person, had a favorite story and a familiarity with books, we are asking you to list your favorite book(s) from childhood, to be displayed at the conference, with the acknowledgment that it is your personal selection.

Thank you,
Sincerely,
Palmyra Andrews
