Dear Ms. ~~Gilpin~~: *Laura*

Jerry and I would like to take this opportunity to extend our sincere thanks to you for loaning us your photograph of the front of the Ranchos de Taos Church.

Since the Governor's Gallery is operated on an extremely limited budget, it is only through the generosity and help of people such as you that we are able to display a high quality of art work in our shows.

We appreciate your thoughtfulness and again, thank you for contributing to the success of the exhibit.

Sincerely,

Clara
