Dear Ms. Brush:

Thank you for your response to our inquiry about Laura Gilpin's photographs. We would like to have a print of "The Summer Shelter in the Cove, Arizona" for our collections. There were many which we liked, but, unfortunately, our resources are quite limited.

Enclosed is a check for the amount of \$250.00 in payment for the print. Thank you very much for your cooperation. We look forward to receiving the photograph.

Best wishes,

Jerry Berger, Curator
