Dear Laura,

I am writing to say that the March 17 opening of your exhibition at our museum was a great success, and that we very much enjoyed Myron Wood's lecture on you and your work.

I am enclosing along with assorted press clippings, copies of our preview opening invitation and you should already have received our most recent Persimmon Hill magazine in which your portfolio of photographs appeared.

I want to thank you for everything you have done to help us and say once again what a pleasure it has been getting to know you.

Cordially,

Jon M. Burris
Director of Photography
