Ms. Laura Gilpin
Camino del Monte Sol
Santa Fe, New Mexico 87501

Dear Laura:

Attached is an installation photograph of our recent show of over 600 fine 20th century photographs from the Art Museum's collection. This exhibition was organized in connection with a history of photography symposium and the opening of a new gallery of the Art Museum to be devoted to photography.

You will see that your work was displayed. We are very pleased to have it to show our students.

Best regards,

Van
