

23 June 78

Dear Laura:

Finally, I have seen your show at the Amen Carter, and as usual your spirit and eye transcend any installation, no matter how fine.

For what it is worth I know Mitch will see that your late's work will be properly housed and taken care of, so I feel you made a wise choice.

Hope all is well with you in Santa Fe. My move to Nebraska is new, but feel sure it will be a good one!

Warmest regards
