

Dear Laura - Just went to see
The Stieglitz show at the
Met - it's his collection
of friends' prints -
including Sheeler &
Kassalier & Clarence
White. A good show but
so many people there - it was
hard to see anyone.
I hope to see her when I'm
here - Next week, back to Wyoming
hopefully a trip to Santa Fe & back
in somewhere. Thinking of you
Much love - Lynette
