Dear Laura:

I greatly enjoyed my visit to your home, your good food and the chance to see so much of your work. Having met you, I now understand why Lee is in love with you.

Enclosed you will find the audio portion of the videotape which was made of you when you were here. When I returned to the Center from Santa Fe, I found that my staff had already had a duplicate made of the audio portion. If this is not sufficient for your purposes and you still would like a copy of the videotape, please let me know and we would be happy to send it.

Again, it was a pleasure and an honor to be with you and I hope our paths will cross again soon.

Best wishes.

Sincerely,

A handwritten signature in dark ink, which appears to read "Jim Enyeart", is written over the typed name and title. The signature is fluid and stylized, with a long horizontal stroke extending to the right.
