Dear Ms. Gilpin:

It was delightful visiting you at your warm house in Santa Fe. I regret that my friend, Tom Kay, and I could not arrange another visit to see your aerial photographs of Canyon de Chelly. Perhaps another time.

I will remember to send you a copy of the video tape interview you had with Keith McElroy during your October visit at the Center. Presently our audio/video man is on vacation, so you will probably receive it in early February.

Under separate cover I am sending you two copies of the Center's recent publications and adding your name to our honorary subscription list. In addition, you will receive a copy of John Schaefer's book, Bac: Where the Waters Gather. I hope you enjoy all the literature.

Thank you again for the visit. Good luck on the platinum printing and best wishes for the new year.

With warm regards,

Sincerely,

A handwritten signature in blue ink that reads "Marnie".
