Dear Mr. Harbaugh;

I am returning to you the Yucatan print with injury to the surface of the print. I did not deliver to you this print with this defect and I cannot take it back. I am enclosing two other prints, one of the "Navaho Family and Flag" and "~~Navaho Covered~~ *How* *Silver Smith* Wagon". This will terminate this business between us, because I am no longer in a position to produce so many other prints. I am now concentrating on the platineums for Lee Witkin and he is my only other representative. I appreciate all you have done in the past and I wish you luck on your endeavors.

Very truly yours,

Laura Gilpin
