Mr. Russell Hartman, Director  
Navaho Tribal Museum  
P.O.B. 308  
Window Rock, Arizona 86515

Dear Mr. Hartman;

Thankyou very much for your letter regarding the prints. Martin Link as some of them now at the new place. The rest are here holding for you until we have all the arrangements made for the care of the prints and also for protection from reproduction. As long as the book is in print, I cannot let any reproductions go out without the consent of both the publisher and myself, in writing.

If you are in Santa Fe at any time, please stop by and see me and I can show you what we have here. I hope all is coming along well at the museum and I hope I will be able to get over there one day before too long. With best wishes,

Very truly yours,

Laura Gilpin
