Dear Mrs. Nowak;

Thankyou for your letter asking about the possiblity of hadnling Miss Gilpin's work. I do remember her mentioning it to me earlier this fall. At the time she was not sure what she might be able to deliver, although I know she is very interested in showing at ARCHETYPE. Since your last conversation with her some ground-work has been laid to protect her interests until she is once more printing. Her quantity of prints is becoming limited as she has been unable to do any printing for over a year and does not want to have someone else do it for her. With that in mind, we have notified all the galleries that have previously handled her work that until she is again printing enough to furnish her own gallery we can take no orders. We will sell the prints we have on hand now, but no longer at a dealer discount. This way, she will be able to keep work here and also sell to galleries who are interested, without losing the entire body of that which is here. The prices are \$100 for 8 x 10, \$150 for 11 x 14, \$200 for 16 x 20. Her platinum prints are \$500, but right now she is undecided about selling them. I hope this will be of help to you, and I can certainly send a list of most all we have. Please let me know if I may be of further help.

Sincerely,

Sina Brush-Morales
