Dear Dr. Schaefer;

The package arrived this morning with the portraits of each of us. We are both pleased and delighted and thank you very greatly. All three prints have a beautiful photographic quality and we think the likenesses are good.

We are wondering what a mysterious check for \$102.00 from the University of Arizona means. The only indication is the word "consultant". We don't charge for consultations! It was a great pleasure to have you here and I hope you will drop in anytime that you are in the vicinity. You will be very welcome. Again, thank you for everything and with our joint good wishes, we are,

Very truly yours,
