Dear Lee;

How nice to hear that you are preparing a document celebrating the tenth year of your gallery. You have accomplished a great deal in furthering the cause for creative photography and you are filling a long-needed vacuum. It is my hope to get to New York either later this year or next and I look forward to visiting your new galleries on 57th Street and seeing work by many of the younger photographers.

With my very best wishes,

Laura Gilpin.
