Dear Ms. Brush-Morales:

Thank you very much for your January 24 letter. We had been apprised of the situation of Miss Gilpin's health and of course are very sorry.

Of course we understand why this would be quite difficult, if not impossible, to do a television show at this time. I have to say that our television show is considerably different from most others. We do plan it in advance. We have a pretty good idea of what we are going to do so that there is no surprise and very little tension. I would suggest that Miss Gilpin or you visit with some of those in Santa Fe with whom we have done television programs, so that you would have a better idea of what I am saying. For instance, we have done several shows with Rex Arrowsmith. Rex could certainly tell you what we do. We have also done shows with Bettina Steinke, Clark Hulings, Bob Loughheed, James Kramer, Greg La Chapelle and Mary Powell.

We are interested in doing a show with Miss Gilpin, but we would only want to do it if she feels up to it. Perhaps between now and the time of the visit here the situation will improve. If so, we will do our best to obtain the studio time (KTVY - Channel 4 - the NBC affiliate). I think she would find it a non-pressure, very pleasant experience, as contradistinct from some of her previous experiences with television.

In any event, we will look forward to seeing her if she comes to Oklahoma City, and we wish you all well. Thanks again for your very kind letter.

Best regards,
