Dear Sina,

You will never know how pleased I was to receive the two prints (Creation story & Irene Yazzie) I really appreciate them.

It was very enjoyable talking to you. As you can tell I am quite a Gilpin fan. I got the portrait of Old Lady Long Salt from Charlie & think it is the best Indian portrait I have ever seen.

Will get in touch w/ David Hill & relay your message about sending another list.

If Laura has a print of the Warehouse at Red Rock w/ Toy Kennedy examining wool (11x14) on page 85 of Enduring Navaho or a really fine print of mouth of the Rio Grande please send them to me.

Give my best wishes to Laura & tell her I think her work is outstanding.

Thanks again,

Jim Hadden

P.S. Check is enclosed for the two prints.
