Dear Miss Gilpin:

I am delighted to learn that you will be able to submit two of your photographic prints for our "First Annual Southwestern Contemporary Art Auction." Having you associated with this effort will, I know, be a very positive attraction to art patrons in our community.

It would be very kind if you could so ship the photos that they would arrive here on or before July 1st. If you could perhaps send in advance the titles, dimensions, and minimum prices for the two works it would be most helpful.

Once more, thank you for adding so significantly to our benefit event.

Sincerely,

Arne Hansen
Director
