Dear Miss Gilpin:

Once more may I say how very pleased I am that you are participating through your creative work in our "First Annual Southwestern Contemporary Art Auction." As a further recognition of your involvement I should like to invite you and one of your friends to be the guests of the Fine Arts Center: first for the Members' Summer Gala and opening of the auction exhibit on Saturday evening, July 15; and then again six weeks later on the evening of the auction itself, August 26.

No R.S.V.P. is necessary, but we would appreciate your presenting for admission the enclosed stub from the Gala invitation on July 15, and the enclosed tickets for the auction on August 26.

I continue to feel strongly that this exhibit and auction comprise one of the major events of our 1978 season and I hope that you will be able to share in it even more directly by coming to the two special occasions.

Sincerely,

Arne Hansen
Director
