Dear Laura:

I feel much embarrassed at offering you, of all people, \$10 for a photograph. But since it is all we are allowed in our budget for our cover photographs, and since you were kind enough to let us have the photograph of George Lopez for our Spring issue, I hope you will accept that ridiculous sum just as an expression of our appreciation, as you might a greeting card.

The reason I am writing at this moment is that in order for us to give you this "token" payment we need to have your Social Security number. I enclose a form for your convenience in giving us this, if you would be so kind.

We shall return the photograph as soon as the finished magazines arrive, which we hope will be tomorrow. I hope the reproduction will seem at least fairly good to you. We had it done over three times before we could get one that we thought was at all satisfactory. What you will see on the cover of your contributor's copies is the best we could get.

Thank you again for letting us have the photograph. And Charlotte and I are happy indeed to know that you will be coming to this area again soon, so that we will have another opportunity to talk with you.

With every good wish,

Margaret L. Hartley
