Dear Miss Gilpin,

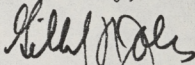

I was pleased to hear from Ben Benschneider that you have agreed to be on campus once again this summer, and I want to confirm the arrangements. We would like you to participate in the Institute entitled Photography: Creativity, Technique, Critique. Professor Benschneider is the Director of the Institute and the precise details of your participation need to be worked out with him. However, I know he wants you to spend a day with the Institute.

For an honorarium we can offer you the sum of one hundred dollars (\$100.00), plus local expenses, plus transportation from Santa Fe and return.

I look forward, with a great deal of pleasure, to meeting you.

Please acknowledge your acceptance of these arrangements by signing and returning the enclosed copy of this letter by return mail.

Yours truly,

Gilbert R. Johns
Dean, Summer Session
