Dear Mrs. Gilpin:

On behalf of the Museum of Albuquerque please allow me to express our appreciation for your kind donation of the stretched weaving which we are proud to add to our collections for research and exhibition. Please sign and return the original copy of the enclosed donor form so that we may formalize the gift.

Donation of objects such as this will permit us to fulfill the plans we are making for our new museum complex. I invite you to stop by our present museum facilities where I would be pleased to show you our existing exhibits and to discuss our plans for the future. Thank you for making possible our growth and increased public service.

Cordially yours,

Ellen J. Landis
Curator of Art
