Dear Laura,

Inclosed herein is the proposed layout for the photo montage that we discussed. Note that the photos are both vertical and horizontal, so this will have some bearing on the subject matter.

I know you're busy, and I hate to keep pressuring you, but I do need to know if you can handle this project, and what the total cost will be. Like all buracracies, we must work within a given budget, so I'll need to know how much we're talking about.

Sincerely,

Martin Link, Manager
