Dear Ms. Gilpin:

Thank you very much for sending the selection of photographs of elderly Navajo women. I am returning seven photos and holding one aside of an elderly woman with a baby in a cradle. We are considering it for publication in Women in America: Half of History, by Mary Kay Tetreault. The book, scheduled for publication in November, 1978, is a supplementary paperback textbook for high school students.

Please let me know what your fee will be, and how you would wish your photo to be credited.

Thank you again.

Yours sincerely,

Jane McGoldrick
