

July 17, 1978

Dear lama

in off again for the East.

But here is a typed print selection — and the text (edited) of your words ought to be coming from the typist separately. Look for that soon.

Portrait package will be coming in August when I get back (August 15th) from the last leg of my (book) journey.

Hope you are having a good summer — love,  
Greta

Laura Gilpin

1. The Prelude Platinum 1917
