Dear Laura:

We are absolutely delighted that you will be in Fort Worth for the opening of your exhibition. We have been looking forward with much anticipation to the show itself, and now that you are going to be here to help celebrate the opening we are more than ever looking forward to it. Will Margret be coming with you? If so, we will be happy to see her also.

Mr. Wilder says things are moving right along regarding moving your collection to the museum. It's very exciting and we're certainly proud to have your complete works in our collection. Louis Allen was here a few weeks ago and I was most pleased to have a short visit with him.

I look forward to seeing you next month. Hope you are feeling great. Mr. Wilder continues to improve and, as you know, is at work every day for a half day. As usual he's in fine spirits after his serious surgery. Best wishes.

Sincerely yours,

Marjorie
