Subject: Acid free envelopes

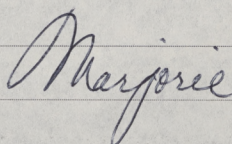

Date: June 30, 1978

Message: Dear Laura:

Mr. Wilder has asked that I send you some negatives envelopes. The box probably will not get sent before tomorrow, maybe even Monday, but I thought I would drop you a note today to let you know. I'm sending acid-free envelopes as follows: 250-8 x 10; 200-5 x 7; 250-4 x 5 in. Some were stamped in upper left-hand corner and do not look so great with the markout ink, but they are serviceable ~~enough~~ nonetheless. I'm ordering more in each size

Originator do not write below this line so will send whatever amount you will need from time to time.

Reply: ¶ He brought me the W. H. Jackson prints of your father's ranch, also the platinum prints of yours. I'm delighted to have these. ¶ The mural prints are ready to go whenever the truck is! And the exhibition is ready or has been sent back to the Museum of New Mexico. Apparently they will send it on to the other dates at the appropriate time.
¶ All for right now. Give my love to Mary, and hello to Margaret if she is back in Santa Fe.
Love,
