Subject:　Color Transparency

Date:　December 20, 1978

Message:

Dear Laura:　The color transparency arrived almost before I thought you had time to put down the

phone!! Many thanks for the speedy service. I gave it to our PR man who sent it off to the magazine.

I put the museum return message around the transparency, so it will come back here. Then I'll

return it to you. Thought that would be the best way to know that it has been returned and not put

in the wrong file folder! Best holiday greetings to you. Give Mary Peck Wilder a hug for me when

she comes by your house.　　　　　Reply to:
