Dear Miss Gilpin:

It was so nice to talk with you, and I am very happy you have agreed to take photographs of Dr. Fred Young for the BBC documentary. If you would be so kind as to work through our office on making arrangements to do so I would very much appreciate it. and will try to make your visit enjoyable.

I understand you wanted a brief biographical sketch of Dr. Young. With his permission I am sending a sheet of data that should be helpful to you.

If there is anything I can do to help you prepare for a visit to the Laboratory, please feel free to contact me. My office number is 667-6101 and my home telephone is 662-5464.

In arranging your visit it would be helpful if you could give us a few days warning so that we can be sure Dr. Young is available, and that the area in which the BBC producer wanted the photographs taken is open for a sitting.

Again, I am looking forward to escorting you when you come to the Laboratory.

Sincerely,

Barbara Mulkin
